Dear Friend:

Seducing your sweetheart and captivating their heart has never been easier.

My name is Leslie Karsner, I'm a Romance Coach. I've coached individuals and couples on how to create more romantic , more passionate and more sexually intimate relationships. For 6 years, I have taught lovers how to express their deepest thoughts, their sensuous desires , and their most intimate fantasies to one another.

In doing so, I discovered the single best way to get into your lover's heart .

Send a love letter - straight from your heart.

And now, it's sexy, romantic, and it's easy – with a little help from Love Letters Now .

And your lover doesn't even have to know it. Wouldn't you love to penetrate the heart of your sweetheart?

Now you can - again and again and again !

You can send them romantic love letters , sexy love letters , even playful love letters.

And for those of you who have a traveling spouse , or a long distance relationship, there are dozens of love letters to bridge the distance and stay connected.

With the Love Letters Now collection, you'll be able to edit our love letter templates to include your special greeting, personal words and intimate thoughts.

Our extensive collection includes:

- • Enduring Love
